**FOGH MARINE**  
BOAT GUIDE 2024

# YOU BELONG ON THE WATER... WE CAN HELP

## OUR REPUTATION RESTS ON EVERY BOAT AND PRODUCT WE SELL

From our roots as a dealer for the Laser® sailboat to today as Canada's largest sailboat, kayak, and SUP dealer, we have never forgotten our love for the water. Our staff of sailors and paddlers are here to help novices experience the joys of being on the water and to help experienced sailors, paddlers, and kayak fishing enthusiasts keep their watercraft at top performance allowing them to spend more time doing what they love and less time looking longingly out at the water from shore.

### WHY WE ARE STILL THE PREFERRED CHOICE

When you leave Fogh Marine with your new boat, we ensure that everything works before you get out on the water. Included in your purchase of a boat from Fogh Marine are the following:

- Freight costs from the manufacturer to Fogh Marine
- Duty and brokerage costs
- Indoor or covered storage, until prepared for pick up or delivery
- Assembly from the shipping cartons
- Inspection and quality control
- Registering the warranty with manufacturer
- Set-up and familiarization of your boat
- Securing the boat to your vehicle/trailer
- Handling all warranty issues

## EXPERIENCE THE FOGH MARINE DIFFERENCE

HULL WEIGHT	73 lbs	73 lbs	73 lbs	73 lbs

### KEY FEATURES

#### EPOXY GLASS + CARBON COMPOSITE + FOAM CORE = ULTRA LIGHT WEIGHT HULL

- Carbon fiber is used in all high load areas - mast step, hiking region of the deck, the gunwales, and in the transom.
- Strong, light construction means virtually anyone can lift the boat onto a car roof rack

#### CARBON FIBER MAST & BOOM

- Light and responsive to sail controls which allows the boat to carry more sail area
- Two part mast with the same top section and boom across all rigs

#### HALYARD HOISTED SAIL

- Rig and launch within minutes
- Tracked mast and halyard allow for easier rigging and support for full length top batten

#### DACRON SAILS

- High denier Dacron sail fabric with a low filler content offers good durability and a high level of user-friendliness

SPECS  
ONLINE!**

## KEY FEATURES

The Tera's modern, user-friendly design gets juniors sailing in no time. The Sport has a Dacron sail and is ideal for juniors starting at 75 lbs. The Pro has a Mylar sail and is ideal for juniors starting at 90 lbs. Makes sailing safe and easy. It comes up dry from a capsized. It's quick and simple to rig.

- ISAF International Class
- Ideal for 1-2 children
- Self-draining cockpit
- Car top transport
- 2 sail choices, only 1 mast required
- Durable rotomolded polyethylene hull
- Rowing option

## TERA SPORT / TERA PRO

LENGTH	BEAM	HULL WEIGHT	CREW WEIGHT	SPORT SAIL AREA	PRO SAIL AREA
9'5"	4'	86 lbs	75 - 100 lbs	38 ft <sup>2</sup>	50 ft <sup>2</sup>

## KEY FEATURES

The Zest is a new compact boat that delivers more crew space and practical, enjoyable features than older generation rivals. It is already a hit with training centres and families. Class-leading space for two sailors, yet small enough for convenient single-handing.

- Roomy enough for adults
- Easily handled by youngsters
- Roller furling main
- Exceptionally stable hull
- High boom - great for learning
- Hinging mast step system for ease and safety
- Durable rotomolded polyethylene hull
- Rowing option available

**OPTIONAL JIB KIT**  
Sail • Lines • Cleats

## ZEST / ZEST + JIB KIT

LENGTH	BEAM	HULL WEIGHT	CREW WEIGHT	MAINSAIL AREA	OPT. JIB AREA
11'9"	4'10"	150 lbs	80 - 500 lbs	59 ft <sup>2</sup>	12.5 ft <sup>2</sup>

## KEY FEATURES

A single hander with great performance, easy handling, and real durability, the RS Neo delivers maximum reward for minimum hassle. A step up in speed without the demands of more radical designs. Composite spars and advanced sail design on a stable, easily driven, and low maintenance RS rotomolded hull. The RS Neo is accessible, affordable, and exciting.

- Carbon composite spars
- 2 part mast
- Easy to rig
- Car toppable
- Radial cut Dacron sail, controllable and durable
- Layout suits single-handed sailing
- Durable rotomolded polyethylene hull

## NEO

LENGTH	BEAM	HULL WEIGHT	CREW WEIGHT	SAIL AREA
11'5"	4'6"	132 lbs	110 - 200 lbs	65 ft <sup>2</sup>

## RS FEVA - S / XL CLUB / XL RACE

### KEY FEATURES

The Feva MK2 is a great two-person sailboat. With a modern sail plan and cockpit layout, simple sail controls, and a durable rotomolded hull, the Feva is the perfect training platform for moving beyond the Optimist and developing the skills for high performance boats or for some family fun. Car toppable transport.

- **S rig** - dacron mainsail no battens
- **XL rig** - mylar mainsail with battens jib & gennaker
- **XL race** - high spec dacron jib, D12 downhaul, 6:1 vang, webbing clew strap, adjustable mainsheet stop

## RS QUEST

### KEY FEATURES

The Quest is a compact, simple, and stable dinghy that has been designed with training and family sailing in mind. Its large self-draining cockpit is big enough for up to four people.

- Durable rotomolded polyethylene hull
- High boom - great for learning
- Exceptionally stable hull
- Large self-draining cockpit
- Accommodates 4 adults
- Optional asym. OR sym. spinnaker
- Optional trapeze or motor mount

LENGTH	BEAM	HULL WEIGHT	CREW WEIGHT	MAIN & JIB SAIL AREA	ASYM. SPINNAKER AREA	SYM. SPINNAKER AREA
14'1"	6'	309 lbs	220 - 400 lbs	118 ft <sup>2</sup>	68 ft <sup>2</sup>	73 ft <sup>2</sup>

## RS TOURA

### KEY FEATURES

A modern dinghy with enviable space and a durable rotomolded polyethylene hull – families and sailing schools can really revel in the freedom of being out on the water. Nestled in the RS range between the RS Quest and RS Venture, the RS Toura has room for up to 7 crew. A reefable mainsail, asymmetric spinnaker, great stowage, optional outboard and a wardrobe of accessories really allows you to make the RS Toura your own.

- Comfortable and spacious for family cruising
- Can be left on a mooring
- Lift & lock – simple & secure rudder system
- Foam in mast to prevent turtling
- Jib furler for safety and launch / recovery convenience

LENGTH	BEAM	HULL WEIGHT	CREW WEIGHT	MAINSAIL AREA	JIB SAIL AREA	ASYM. SPINNAKER AREA
15'2"	6'4"	386 lbs	1212 lbs	112 ft <sup>2</sup>	38 ft <sup>2</sup>	157 ft <sup>2</sup>

## KEY FEATURES

The RS Venture is a modern design that is both stable and comfortable. A competent sailor can single hand it, with room for 5 other adults. Furling jib, reefable main, and an oversized rudder allow complete control in any conditions. The Venture is a true workhorse for families and programs who want to move their sailing forward.

- Great performance & versatility
- Comfortable and spacious
- Exceptionally stable hull
- Large and open cockpit space
- Self draining
- Durable fiberglass hull
- Can seat up to 8 people
- Multiple stowage options, under seats and foredeck
- Optional outboard motor mount
- Optional spinnaker packages

## RS VENTURE

### RS VENTURE CONNECT SCS ADAPTIVE SAILBOAT AVAILABLE

LENGTH	BEAM	HULL WEIGHT	CREW WEIGHT	MAIN & JIB SAIL AREA	ASYM. SPINNAKER AREA	SYM. SPINNAKER AREA
16'4"	6'8"	436 lbs	1411 lbs	159 ft <sup>2</sup>	150 ft <sup>2</sup>	113 ft <sup>2</sup>

## KEY FEATURES

A great catamaran for training and recreational sailing. The patented system for joining the beams to RS CAT hulls gives increased stiffness compared to other rotomolded catamarans, with the added bonus of allowing the boat to be disassembled quickly for storage or transport. Durability, Convenience, Excitement – the hallmarks of the RS CATs.

- Novice to expert capabilities for sailors of all ages
- Concave deck creates secure sitting area
- Lift & lock – simple & secure rudder system
- Single handed or with crew
- Hull & beam securing system without holes through the skin of the boat

**S rig** - Mainsail, jib sail, single trapeze

## RS CAT 14 S / RS CAT 14 XL

## KEY FEATURES

A modern beach and training catamaran with the feel of a higher performance boat. Easy to handle. The RS CAT16 has the stability and space to enjoy sailing alone or with family and friends.

- Easy handling and fantastic performance
- Practical features for novices and experienced sailors
- Enjoy single handed, but with plenty of space for the family
- Fast boat assembly and easy to rig
- Optional spinnaker

**S rig** - Mainsail, jib sail, single trapeze

**XL rig** - Mainsail, jib sail, asym. spinnaker, single trapeze

## RS CAT 16 S / RS CAT 16 XL

**MADE IN AUSTRALIA**

The ILCA sailboat is a highly popular family of small one-design sailing dinghies that uses a common hull and interchangeable rigs with different sail areas. This allows for a wide range of sailors to sail and compete in a range of wind conditions.

The ILCA 4 (4.7) uses a short pre-bent lower mast to maintain a balanced helm and a sail area that is 35% smaller than the ILCA 7 (STD MKII). It is ideal for learning to sail or for the lighter weight sailor graduating from an Optimist.

ILCA 6 upgradable to CARBON lower section

	MODEL	ICLA 4 (4.7)	ILCA 6 (Radial)	ICLA 7 (Standard)
SPECS	LENGTH	13'9"	13'9"	13'9"

SPECS

## WORLD WIDE SAILOR

A durable, unsinkable, self-bailing dinghy that is perfect for entry level youth sailors and learn-to-sail programs. This boat uses certified Opti-Parts.

## OPTIMIST

The Optimist dinghy is a small, single-handed sailing boat designed for beginners and youth racers, recognized for its simple design, stability, ease of handling, and widespread popularity in youth regattas.

## CLUB 420

A two person dinghy which is simple enough for novice sailors, yet challenges advanced sailors. Offers trapeze and spinnaker.

## BOAT PACKAGES

- Polyethylene sailing dinghy • Unsinkable and self draining
- Superior strength and durability
- Developed for sailing schools and clubs

- CLUB**
- Includes North Club sail • Club Spars (aluminum)
  - 40mm boom jaw • Epoxy Foils

- RACE**
- choice of J Sail or One Sail • Championship Foils
  - choice of MK3, MK4, or BlackGold Spars
  - 4:1 pennant with trigger snap

- PRO**
- Fighter Opti hull and foils • nonskid optimized for bailing
  - 4:1 spliced mainsheet w/soft-attach forward block
  - choice of J Sail, North, or One Sail

- FSE Robline line package • One piece adjustable bridle
- Guy roller pins • Mylar centreboard gasket • 16:1 Dyneema vang

All specifications, colours, and options listed and quoted are subject to change without notice. Please refer to the manufacturer's website to confirm colour selection. All warranties are subject to manufacturer's terms and conditions. Boats may not be exactly as pictured.

## HOBIE CLUB WAVE

The Hobie Wave is an easy-to-sail, easy-to-rig ride that will have you smiling. Fun for the family and exciting for the juniors while forgiving enough for the newly initiated. Its symmetrically shaped hulls provide lift while eliminating the need for daggerboards. A large, fully-battened, boomless mainsail is powerful in the light stuff, but is designed to reduce power in an unexpected gust.

The Hobie Wave is the ideal must-go-sailing-now catamaran.

### KEY FEATURES

- Rotomolded polyethylene hulls
- Fiberglass comptip mast for safety
- Unique keel shape eliminates daggerboards
- Three-piece trampoline
- Righting line and Hobie mast float included
- EZ LOC rudder system
- Fully-battened dacron sail
- Padded seat cushions
- Mesh trampoline
- Boomless rig

BORA BORA

LENGTH	BEAM	RIGGED WEIGHT	CREW WEIGHT	SAIL AREA	MAST LENGTH	DRAFT - RUDDERS UP	CREW
13'	7'	245 lbs	up to 800 lbs	95 ft <sup>2</sup>	20'	11"	1 - 4

## HOBIE GETAWAY

Take the party on the water with the Hobie Getaway. When the agenda involves sailing with friends and family, the extremely spacious and stable Hobie Getaway is a sure-fire ticket to multihull fun. The boomless mainsail and furling jib make the Getaway an absolutely simple to use cat, yet it delivers some surprisingly smooth speed. With the Getaway, there's no worry about beaching or docking; its impact-resistant, rotomolded polyethylene hull provides years worth of family fun. Now with molded-in rear carrying handle and forward tramp increased UV resistance. Wings are optional.

### KEY FEATURES

- Integrated keel fin removes the need for daggerboards
- EZ LOC rudder system makes launching simple - push off and go
- Fully-battened, multi-colored square-top dacron mainsail
- Fitted forward trampoline with increased UV resistance
- Righting line & Hobie mast float included
- Cooler/storage spots in each hull
- Fiberglass comptip mast for safety
- Roller furling jib

BORA BORA

17'	7'8"	390 lbs	up to 1000 lbs	180 ft <sup>2</sup>	25'	10"	1 - 6

## KEY FEATURES

This catamaran's lightweight, asymmetric fiberglass hulls provide lift and its dual-trapeze rig lets you and your crew member harness its sheer power. The Hobie 16 occupies a coveted spot in the Sailboat Hall of Fame and consistently delivers big-grin sailing and world-class racing. Fly a hull and you'll understand the global obsession!

- Asymmetric hulls - no daggerboards required
- Kick-up rudders
- Optional carbon fiber rudders
- Race-ready dacron sails
- Mesh trampoline
- Double trapeze system
- Harken blocks throughout
- 6:1 Mainsheet with traveler system
- Black anodized aluminum mast with comptip
- Dollies, trailers, and other accessories available

## HOBIE 16

## KEY FEATURES

Sailing has never seemed so simple. When the wind blows, the Tandem Island flies across the water, powered by a large, easily controlled mainsail. Hop aboard with a friend. With dual MirageDrive 180s with Kick-Up Fins providing pedal power, maneuvering is a snap. This kayaking / pedaling / sailing vessel is beginner friendly and enthusiast chosen.

- Dual Mirage 180 Drives with ST Turbo Kick-Up Fins
- Roller Furling Mainsail
- Kick-Up centerboard
- Pivoting crossbars = easy transport
- Ama outriggers for stability
- Twist and seal hatches
- Adjustable Vantage CT seats
- Trampoline kit available
- Lever operated rudder and centerboard deployment
- Dual rudder control
- Rotomolded polyethylene hull

## KEY FEATURES

### MIRAGE PASSPORT 10.5R & 12R

Fun and functional, the Passport takes you anywhere you want to go with ease. Every feature is designed with your entertainment in mind. Sail open water or fish the flats, Hobie made sure you can do both thanks to the vertical accessory tube and molded-in rod holders.

- **MirageDrive GT with Kick-Up Fins**
- Durable rotomolded design for 2023
- Suspended mesh aluminum frame seat
- Steering system with stowable rudder
- Aluminum two-piece paddle
- Rod holders & accessory mounting tracks
- 8" Sealed hatch
- Bow & stern cargo with shock cord

### MIRAGE COMPASS & COMPASS DUO

Outfitted with a breathable mesh seat, the Compass offers maximum stability and an oversized cockpit and flat deck for standing. A sharp turning radius makes this fishing kayak nimble in tight quarters, yet able to speed over open water in stealthy fashion.

- **MirageDrive 180 with Kick-Up Fins**
- Excellent hull performance with easy steering system
- Storage abounds with 8" sealed hatch
- Optimal seating design
- Rod & drink holders
- Carrying handles
- Two-piece paddle
- Power-Pole micro integration

### COMPASS DUO INCLUDES

- 1 MirageDrive 180
- 1 MirageDrive GT
- Both with Kick-Up Fins

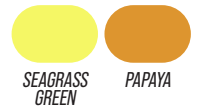

**HOBIE BIMINI SUNSHADE**

Protect yourself from the elements and extend your time on the water!

- UPF 50+ fabric
- Water-resistant
- Lightweight ripstop nylon
- Customizable setup

### AVAILABLE COLOURS

## KEY FEATURES

### MIRAGE LYNX

The streamlined, sleek hull of the Lynx makes for a truly epic ride. Kick it up a notch, as you swiftly skim across the water's surface, carving turns and leaving the world behind. The Lynx's flat-bottom design provides confidence-inducing stability and ultimate maneuverability. Weighing only 47 lbs. and equipped with rear loading skid pads, easily throw it on the roof of your car for uncomplicated transport.

- MirageDrive 180 with ST Turbo Kick-Up Fins
- Lightweight ace-tec construction
- Elevated seating with breathable mono-mesh fabric
- Fishfinder and Power-Pole ready
- EVA standing pad for maximum comfort
- Molded in track system for accessory upgrades
- Dual steering & removable rudder system
- Seat mounted cup holder
- Bow storage with shock cord tie downs

### MIRAGE OUTBACK

This fully-loaded fishing machine is built for every conceivable fishing expedition, whether you're prowling the ocean for monster gamefish or stalking bass in your favourite freshwater fishing hole. Hobie has advanced the sport of kayak fishing with the introduction of Kick-Up Fins that automatically retract upon impact.

- MirageDrive 180 with ST Turbo Kick-Up Fins
- Wider Vantage CTW seat
- Guardian retractable transducer shield
- H-track deluxe for accessories
- Front and center hatches
- Eva standing floor
- Power-Pole ready
- Dual steering
- Sail and bimini mount

## HOBIE CARTS

GETTING YOU OUT ON THE WATER FASTER!

### FOLD & STOW PLUG-IN CART | Max Capacity 175 lbs

- Collapsible frame with removable wheels for easy stowage
- Lightweight frame; complete cart assembly weighs just over 5 lbs
- Load rating of 175 lbs suits most models' fully rigged weight
- Quick release cart keeper holds the cart into the scuppers of your kayak
- Retaining shock cord keeps the cart frame in the collapsed position

### PLUG-IN STANDARD | Max Capacity 150 lbs

- Removable 26 cm wheels - Wheels are easily detached for storage
- Stainless Steel Frame - Lightweight, sturdy construction
- Cart Keeper - Keeps the cart attached to the scuppers
- Post Collar Clamps - Helps reduce direct hull load on the cart

iSERIES & ECLIPSE CART

### PLUG-IN HEAVY DUTY | Max Capacity 225 lbs

- Removable 26 cm solid wheels - Wheels are easily detached for storage
- Stainless Steel Frame - Lightweight, sturdy construction
- Cart Keeper - Keeps the cart attached to the scuppers
- Post Collar Clamps - Helps reduce direct hull load on the cart

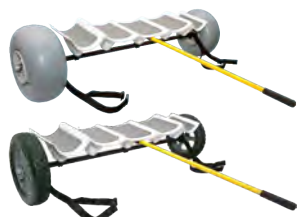

### TRAX 2 PLUG-IN CART | Max Capacity 176 lbs

- All around cart for soft sand and uneven terrain
- 24 cm (blow-molded polyurethane) pneumatic tires
- Wheels are easily removable
- Tires are wide and can be deflated for better performance over softer sand and soil

### TRAX 2-30 PLUG-IN CART | Max Capacity 242 lbs

- Same features of the Trax 2 cart with a higher capacity
- Trax 2-30 has 30 cm tires bringing the capacity up to 242 lbs
- Even with a lighter load, the Trax 2-30 will be the best plug-in cart for sand

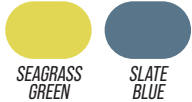

### HOBIE DOLLY

- For transporting larger, heavier models such as Pro Anglers/Islands/loaded kayaks
- Two versions, Tuff Tires (solid) or Beach Wheels (pneumatic)
- Hull & Ama cradle built-in with pads to support and protect the hull(s) of your boat
- Pull handles simplify the loading process and acts as a kickstand for keeping the cradle upright

\*First Light only

**KEY FEATURES**

**DAY TRIPPER**

**Entry-Level Recreational Kayak Paddle** | Asymmetric polypropylene blades shaped for smooth, efficient strokes. A lightweight anodized aluminum shaft is ovalized for easy gripping. This is the paddle of choice for beginners - or for use as a backup. A push-button takedown allows blades to be feathered at 60-degrees or inline, for right- and left-hand control.

**36.96 OZ - AVAILABLE IN 220, 230, 240 cm**

**MAGIC MYSTIC**

**Tough and Durable Paddle** | Pop colours match nicely with a wide variety of kayaks, this is a great introductory kayak paddle. The fiberglass-bolstered nylon blades lend extra stiffness for a more powerful stroke, while aluminum construction makes the paddle shaft one you can really lean into to get that extra momentum or turnability.

**MAGIC PLUS**

**Flexible and Lightweight** | Fiberglass reinforced polypropylene blades are lightweight and durable. The asymmetrical blade shape combined with a lightweight, flexible fiberglass shaft produces smooth yet powerful strokes.

**MAGIC ANGLER PADDLE**

**Designed For Kayak Anglers** | Lightweight, efficient and powerful paddle with angler specific features. Asymmetrical, slightly curved blade shape and a flexible fiberglass shaft produces smooth yet powerful strokes. The ruler on the shaft can be used to measure your catch!
